Texas Public Schools and Charters, Explanation of Symbols and Terms

County, District, Region, School

The information on Texas public schools is arranged by counties, school districts (with education service center [ESC] region number following), and schools. Addresses, telephone numbers, and zip codes are shown immediately following the counties and school districts.

County-District-School Number

These columns show the identification numbers used by the Texas Education Agency (TEA) for Texas counties, school districts, and schools. The counties of the state are numbered from 1 through 254 in alphabetical order. In 2021-22, there were 1,219 educational entities with TEA-assigned school district numbers.

TEA-assigned school numbers are unique identification numbers only; they do not denote school types (e.g., elementary school, junior high school, high school). Schools are numbered from 001 through 698. Schools are categorized as: regular instructional; alternative instructional; juvenile justice alternative education program instructional (JJAEP); disciplinary alternative education program instructional (DAEP); charter/regular instructional; charter/alternative instructional; charter/JJAEP instructional; or charter/DAEP instructional.

School type	Regular instructional	Alternative instructional	JJAEP	DAEP	Total	Active	Under construction	Total
Elementary school	4,879	38	1	20	4,938	4,867	71	4,938

Elementary/secondary school[a]	497	269	283	186	1,235	1,232	3	1,235
Ungraded (Windham Texas Department of Criminal Justice)	94	5	0	0	99	99	0	99
All school types	8,485	575	304	229	9,593	9,469	124	9,593

Note. School counts are based on grades taught at the schools.

[a]Special Education school counts are included in the elementary/secondary school counts.

County and District Superintendents, Principals

The names of county superintendents, district superintendents, and school principals are shown opposite the administrative units they supervise.

Grades

This column shows grade levels taught, including early education (EE), prekindergarten (PK), kindergarten (KG), and ungraded (UG).

Enrollment

This column shows the fall 2020 enrollment for each school district and school. If the school configuration for a district changed for the 2021-22 school year, the school counts may not add to the district total. Revised school configurations for 2021-22 are received in the summer of 2021. When enrollment in schools serving students in early education and/or prekindergarten only is fewer than five students or could be imputed from district totals, the count is masked with a dash (–) to protect student anonymity.
