EXPLANATION OF SYMBOLS AND TERMS

LEGEND	
ISD-Independent School District	CSD-Common School District
CONS ISD-Consolidated Independent School District	MSD-Municipal School District
CHARTER-Charter School District	

COUNTY, REGION, DISTRICT, SCHOOLS:

The information on Texas public schools is arranged by counties, school districts (with region number following), and schools. Addresses, telephone numbers, and zip code numbers are shown immediately following the county and school district. The numbers in parentheses preceding the telephone number denotes the area code. School names are listed within these categories: High School (HS), Junior High School (JH), Intermediate School (INT), Middle School (MIDDLE), Elementary (EL), and Primary (PRI).

COUNTY-DISTRICT-SCHOOL NUMBER:

These columns show the identification numbers of the counties, the school districts, and schools presently in use by the Texas Education Agency. The counties of the state are numbered from 1 through 254 in alphabetical order. The district numbers are arranged in the following sequences:

		Totals
Districts	001 through 099—Common School Districts	6
Districts	801 through 899—Charter School Districts	158
Districts	901 through 949—Independent School Districts, Consolidated Independent School Districts and Municipal School Districts	<u>1057</u>
	DISTRICTS TOTALS	1221

TEA assigned school numbers no longer denote a school type (i.e., High School, Junior High School, Elementary, and etc.). TEA assigned school numbers are unique identification numbers only. School numbers are 001 through 699. School counts are derived from the actual grades taught at a school.

SUPERINTENDENT-COUNTY, DISTRICT, PRINCIPALS

The names of the county superintendents, district superintendents and principals are shown in this column opposite the administrative units which they supervise. County superintendents whose names carry an asterisk (*) are ex-officio superintendents.

GRADES TAUGHT:	EE = EARLY EDUCATION
	PK = PRE-KINDERGARTEN
	KG = KINDERGARTEN
	Grades 1-12
	UG = UNGRADED

ENROLLMENT:

The Fall 1999 enrollment for each school as well as the district total is shown. If the school configuration for a district changed for the 2000-2001 school year the school figures may not add to the district total. Revised school configurations for 2000-2001 are received in the summer of 2000.

APPRAISED VALUATION AND TAX RATES:

Appraised valuation is in thousands. Tax rates are per \$100 of appraised valuation. Values are those reported by districts in their 1999-2000 Official Budgets.

Note: To locate a school district in the section entitled "Officers and Statistics, Texas Public Schools," refer to the alphabetical "Index of Texas Public School Districts" to obtain the appropriate page number.

*Special Education school counts are included in the Elementary and Secondary Combined school counts.

**Summer Schools, Accredited Non-Public Schools affiliated with the public school district, schools under construction, and schools that were created for budgetary convenience are not included in the above school counts.

ACCREDITED NON-PUBLIC SCHOOLS IN TEXAS

Accrediting associations recognized by the commissioner of education to accredit non-public schools in Texas have formed the Texas Private School Accreditation Commission (TEPSAC). Member associations of TEPSAC serve in an advisory capacity to the commissioner of education concerning the accreditation of non-public schools and recommending accrediting associations in Texas.

The accreditation of non-public schools in Texas is a function of TEPSAC and is recognized by the commissioner of education as having standards comparable to 19 TAC Chapter 97. Student credits earned in non-public schools accredited by the member associations of TEPSAC are transferable to Texas public schools. Teacher service in accredited non-public schools has been recognized for salary increment purposes in Texas public schools. The accreditation of non-public schools under this arrangement became effective on February 12, 1986. Accreditation of non-public schools directly by The Texas Education Agency ceased after May 31, 1989.

The accredited non-public schools are listed under the county in which they are located. Accredited Catholic schools are listed by the county in which the (Arch) Diocese is located.

All schools listed on the following pages are currently accredited by associations that are members of TEPSAC. Information about these schools and procedures for becoming an accredited non-public school should be obtained from:

Texas Private School Accreditation Commission (TEPSAC)
10810 Dreamland
San Antonio, TX 78230-4204
(210) 979-6410

The most current information on non-public schools accredited by the member associations of TEPSAC is available at the following TEA website: <http://AskTED.tea.state.tx.us>. Future editions of the printed *Texas School Directory (TSD)* will not include this detailed information, but it will continue to be available on the TEA website. It is also expected that TEPSAC will be developing its own website, and that future editions of the *TSD* will reference that website address. Additionally, websites currently available for each of the accrediting associations are noted on the following page.
